

# NVM Open House Day

Why take part in the NVM Open House Day?

De beste plek voor jou

- 1.** NVM promotes the Open House Day through various media channels. This means there are active home seekers in your town, neighbourhood or even your street.
- 2.** Your property also receives extra visibility on Funda, which attracts up to twice as many visitors as usual around the NVM Open House Day!

3. By taking part in the NVM Open House Day, you show potential buyers that you're serious about selling your home — helping you stand out from the competition.
4. Hosting viewings all on one day also means you won't have to prepare your home multiple times.

**5.** Afterwards, you'll gain insight into how your property is positioned on the market. Based on the number of viewings and the feedback received, you can adjust your presentation or discuss a different sales strategy with your NVM estate agent.
